

**§ 132-1.3. Settlements made by or on behalf of public agencies, public officials, or public employees; public records.**

(a) Public records, as defined in G.S. 132-1, shall include all settlement documents in any suit, administrative proceeding or arbitration instituted against any agency of North Carolina government or its subdivisions, as defined in G.S. 132-1, in connection with or arising out of such agency's official actions, duties or responsibilities, except in an action for medical malpractice against a hospital facility. No agency of North Carolina government or its subdivisions, nor any counsel, insurance company or other representative acting on behalf of such agency, shall approve, accept or enter into any settlement of any such suit, arbitration or proceeding if the settlement provides that its terms and conditions shall be confidential, except in an action for medical malpractice against a hospital facility. No settlement document sealed under subsection (b) of this section shall be open for public inspection.

(b) No judge, administrative judge or administrative hearing officer of this State, nor any board or commission, nor any arbitrator appointed pursuant to the laws of North Carolina, shall order or permit the sealing of any settlement document in any proceeding described herein except on the basis of a written order concluding that (1) the presumption of openness is overcome by an overriding interest and (2) that such overriding interest cannot be protected by any measure short of sealing the settlement. Such order shall articulate the overriding interest and shall include findings of fact that are sufficiently specific to permit a reviewing court to determine whether the order was proper.

(c) Except for confidential communications as provided in G.S. 132-1.1, the term "settlement documents," as used herein, shall include all documents which reflect, or which are made or utilized in connection with, the terms and conditions upon which any proceedings described in this section are compromised, settled, terminated or dismissed, including but not limited to correspondence, settlement agreements, consent orders, checks, and bank drafts. (1989, c. 326.)
